[Do the courses include practical training?](#)

Yes, the courses include extensive practical training designed to prepare students for real-world professional environments. Avalon Academy emphasizes hands-on learning through mock simulations, role-plays, industry-oriented workshops, and practical lab sessions that mirror actual aviation, hospitality, luxury retail, and customer service settings. Students receive training in communication skills, grooming, customer handling, operational procedures, and service excellence. Practical exposure is further enhanced through internships, live projects, and

industry interaction sessions, allowing learners to gain confidence, professionalism, and job-ready skills. This strong focus on practical training ensures that students are not only academically prepared but also industry-ready from day one.

Who is eligible for these courses?

Avalon Academy's courses are open to students who have completed 10+2 or an equivalent qualification from a recognized board. Applicants should have a keen interest in aviation, hospitality, luxury retail, or premium service industries. There is no requirement for prior experience, making these programs suitable for freshers as well as individuals looking to switch careers. Basic communication skills, a professional attitude, and a willingness to learn are important qualities for admission. Some programs may also consider age criteria and personal interaction to assess suitability for customer-facing roles. Overall, the academy welcomes motivated candidates who aspire to build a successful career in service-oriented and global industries.

Will I get placement assistance after completing the course?

Absolutely! Avalon Academy provides 100% guidance and support for placements in airlines, hotels, and luxury brands.

Do I need prior experience in aviation or hospitality to join?

No prior experience is required. Our courses are designed to train beginners and prepare them for industry roles.
